Christmas Canines - A dog lover's colouring book Susan Alison

Christmas Canines A4-size colouring book is a book for dog lovers, especially for dog lovers who also love Christmas. There are 44 pages of unique artwork based on original hand-drawn Susan Alison dog designs. The paper in this book is 60lb in weight ie crayons and pencils are your best bet for fab results. (It's always a good idea to use a safety sheet underneath each page whatever you're using.)

Pictures are only printed on one side of the paper so that you can remove a page and display or frame it without losing the picture on the other side.

Some of the pictures have been made into 6"x4" pictures – a nice size for framing, or for cutting out and sticking to the front of a greeting card blank; this also allows experimentation with different colouring schemes. There are also some sheets of notepaper for that special person, and a page of bookmarks that can be coloured and laminated. At the back of this book are a couple of pages for trying out your colours.

Some of these designs are from 'Corgis Rule!', 'Brilliant Border Collies', and 'Great Greyhounds & Wonderful Whippets' colouring books, but most are new for this book and include beagles, poodles, Labrador retrievers, Westies, and more besides.

Happy Holiday Season to you all!
