Faith Into Abundance

The ability to earn a profit is the ability to multiply our resources while helping other people. It is a wonderful ability that God blessed entrepreneurs with, and it is not evil or morally neutral... but fundamentally good.

However, it's not always easy. We have to keep faith and know that the promise from God is coming.

Through the inspiring stories in this book, you'll see how entrepreneurs that remained faithful through hard times were blessed with great abundance.

You'll read about:

A baseball player who lost his career and became an alcoholic, but has now founded a charity give hope to the homeless.

A little boy with Down syndrome who sparked a change in his Dad's business that now impacts people all over the world.

A woman whose husband unexpectedly walked out on her and their 5-year-old son who now has a successful business helping other women get through similar situations.

A man with a \$50 million business and a beautiful family who lost it all due to a meth and heroin addiction and how he got it back.
