Handwriting Printing Practice: Preschool and Up: Letters, Numbers and More! (FUN Activity Book for Writing Practice-ABC) (Volume 20) Kids World Publications

Handwriting Printing Practice from A to Z! Great for Preschoolers, Kindergartner's and First Grade Students!

This book features practice pages for the entire alphabet. The first section focuses on upper case letters and the second section has pages to practice lowercase letters. Basic number pages are also featured near the end of the book. In addition, we included fun tracing and coloring activities near the end of the book. Additional tracing can also help with handwriting and these activities are quite different than practicing letters. This extra section serves as a fun reward for working hard on letter formations in the beginning of the book. We also recommend buying a BLANK sketchbook for kids and other drawing books because additional practice drawing, freewriting and coloring can also help kids develop their handwriting skills and artistic abilities.
