The Bible has been both beautifully and briefly summarized in five-fold fashion: • The Old Testament records for us the PREPARATION for the life of Jesus. • The Gospels record for us the MANIFESTATION of the life of Jesus. • The book of Acts records for us the PROPAGATION of the life of Jesus. • The epistles record for us the INTERPRETATION of the life of Jesus. • The book of Revelation records for us the CORONATION of the eternal Jesus. With the above format in mind, this textbook centers upon the final three great words, PROPAGATION, INTERPRETATION, and CORONATION! In essence, it provides an introduction, outline, and analytical summary to each of the remaining New Testament books from Acts through Revelation.
