In an age of self-discovery, self-examination and self-awareness, God is found evident in us. Be it super-ego mind-sets, in consciousness or unconsciousness, as Christians, God still lives in us--in the creation of pure intent formed within us. Even in the negation of superficial content, the Now is acknowledged by us. We recognize that simple acceptance of the Now is just not enough. Christians have experienced and understood these secrets. We have been taught how to unfold the mysteries through the supernatural teachings of Jesus Christ our Lord and Savior. Remember the Heights embodies the fundamental steps in reaching these truths. This book is written for one of the largest and fast-growing Christian movements in market history. Remember the Heights reveals the manner or method of achieving heaven on earth as introduced by Jesus Christ. What is more, only through our Creator are we characterized as complete beings. One thing is absolute: it all begins without end in the eternal. The blissful unseen has always been our now in Jesus Christ as Christians!
