For those devout persons who delight in Beauty, this Little Office is in full color and filled with enchanting illuminations from ancient manuscripts, while being expressed in calligraphic text.

The Little Office is a very ancient devotion to Our Lady, by some indications predating the eight century. It can be said daily, as do Carthusians and ardent lay people. Or it can be prayed especially on Saturdays, which is the traditional day of the week devoted to the Blessed Virgin. It is also suitable for her feast days.

In this book are included specially adorned prayer plates, with texts of traditional Catholic prayers such as the Angelus, the Anima Christi, etc.

This version is intended to be prayed, and so the calligraphy chosen, while pleasing to the eyes, is also highly legible. It is divided into the Church liturgical seasons. These are inclusive and so each Hour can be prayed straight through without having to flip back and forth for the appropriate antiphons and readings. This makes it ideal for beginners, but will also be appreciated by those persons well-seasoned. The text uses the traditional language from the Douay-Rheims Bible.
