The Legacy of the Reanimator collects the original serialized H.P. Lovecraft story, Herbert West Reanimator along with its two sequels and a bevy of short stories from some of the most renowned Lovecraftian writers. Details of Herbert West's life from childhood to death and beyond can be found within The Legacy of the Reanimator. Reanimation. The process of bringing life to that which is dead. It is well known that the tow-headed fiend Herbert West came close to perfecting the process within his lifetime. It is also well known that the reanimated limbs, parts, and minions that he had created over the years eventually came back to haunt him and dismember his body. However, Herbert West didn't die. Well...yes he did. The problem is he didn't stay dead. He was brought back in two round robins edited by Robert M. Price. The first was Herbert West-Reanimated followed by Herbert West Reincarnated. These were published in old issues of Crypt of Cthulhu, and are terribly hard to get a hold of...until now. The Contents of this anthology include: Thought He Was a Goner by Christine Morgan Herbert West in Love by Molly Tanzer Herbert West Reanimator by H.P.
