Camaro: An American Icon Publications International Staff

Camaro: An American Icon tells the inside story of a Chevrolet great. The book is filled with authoritative text, interviews with the key people behind the Camaro, design artwork, and page after page of fascinating photos, many drawn from the GM archives. Noted automotive author Gary Witzenburg and the auto editors of Consumer Guide outline Camaro's fast rise to stardom, which was fueled by a winning blend of style, performance, and enthusiast-oriented options like the Rally Sport and Super Sport packages.

Camaro: An American Icon follows the Camaro through five eras:

The development and introduction of the 1966 Camaro, GM's tardy but bold answer to the 1964 Ford Mustang

The second generation Camaro of the 1970s, which survived a near-death experience during the energy crisis

The leaner, meaner third-generation Camaro of the 1980s, which kept the pony car flame burning despite opposing trends

The 1992 debut of the Gen IV Camaro, which boasted major improvements on the previous designs but stumbled in the age of SUVs and seemed to mark the end of the line for the brand

The exciting development of a new Camaro following an eight-year hiatus

This book offers the perfect way to follow all the twists and turns of the Camaro saga.

From reader reviews:

Jimmy Borrelli:

Book is usually written, printed, or descriptive for everything. You can realize everything you want by a e-book. Book has a different type. We all know that that book is important factor to bring us around the world. Alongside that you can your reading skill was fluently. A publication Camaro: An American Icon will make you to possibly be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you searching for best book or suitable book with you?

Nelson Wyatt:

The reason? Because this Camaro: An American Icon is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the reserve store hurriedly.

Crystal Dewitt:

Playing with family in a park, coming to see the coastal world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Camaro: An American Icon, you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.

Shawn Jones:

In this period globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. Often the book that recommended to your account is Camaro: An American Icon this publication consist a lot of the information with the condition of this world now. That book was represented how do the world has grown up. The terminology styles that writer use to explain it is easy to understand. The writer made some research when he makes this book. This is why this book acceptable all of you.
