## MCAT\* Prep from the Name You Trust

No matter how much material you review throughout your preparation for the MCAT, you need the experience of taking a full-length model exam prior to test day. This book provides 3 full-length practice tests modeled closely on the real exam. These three tests will give you a clear idea of what to expect on test day.

**Written by a team of distinguished university faculty, these tests will give you the intensive practice you need to get your best score. You get:**

- 700+ questions that simulate the real exam in format and degree of difficulty
- Reading passages and question sets that mimic those you will see on the actual MCAT
- Complete coverage of all MCAT sections: Biological and Biochemical Foundations of Living Systems; Chemical and Physical Foundations of Biological Systems; Psychological, Social, and Biological Foundations of Behavior; and Critical Analysis and Reasoning Skills
- Thorough explanations for every question
- Evaluation charts that will show you where to focus your review
- Strategies that will help you on test day
- A wealth of review content available online
