## **Rising Sun Victorious: The Alternate History of How the Japanese won the Pacific War**

“Everyone with an interest in the Pacific War will find something stimulating in this thought-provoking study of what might have been.”

–British Army Review

In war, victory can be held hostage to seemingly insignificant incidents—chance events, opportunities seized or cast aside—that can derail the most brilliant military strategies and change the course of history. What if the Japanese had conquered India and driven out the British? What if the strategic link between the United States and Australia had been severed? What if Vice Admiral Nagumo had launched a third attack on Pearl Harbor? What if the U.S. Navy’s gamble at Midway had backfired?

Ten leading military historians ask these and other questions in this fascinating book. The war with Japan was rife with difficult choices and battles that could have gone either way. These fact-based alternate scenarios offer intriguing insights into what might have happened in the Pacific during World War II, and what the consequences would have been for America.

“A compelling read . . . bound to generate a good deal of debate.”

–The Defense Information Bulletin

“Rising Sun Victorious is must reading.”

–Almanac of Seapower

#### **Floretta Simmons:**

Precisely why? Because this Rising Sun Victorious: The Alternate History of How the Japanese won the Pacific War is an unordinary book that the inside of the guide waiting for you to snap that but latter it will jolt you with the secret this inside. Reading this book alongside it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

#### **Thomas Lemos:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Rising Sun Victorious: The Alternate History of How the Japanese won the Pacific War can make you feel more interested to read.

#### **Myra Hackett:**

What is your hobby? Have you heard which question when you got college students? We believe that that issue was given by teacher with their students. Many kinds of hobby, All people has different hobby. And also you know that little person such as reading or as studying become their hobby. You need to know that reading is very important as well as book as to be the factor. Book is important thing to increase you knowledge, except your personal teacher or lecturer.
