The Worship Sourcebook

It can be difficult to find fresh, new resources for the traditional church's worship-planning needs. Every new book and resource seems to have a contemporary spin on it. So what is a traditional church to do?

The Worship Sourcebook is the newest and most substantial resource available for the traditional or liturgical church's worship service needs. Filled with beautiful prepared prayers, stirring liturgies, and useful service plans, The Worship Sourcebook is an essential tool for any church looking to freshen up its resources without changing its worship style.

The companion CD contains the entire text of the 800-page book for easy cutting and pasting into bulletins, overheads, and orders of worship. The Worship Sourcebook is a global resource aimed at evangelical churches open to prepared prayers and service plans in their worship planning.
