Bare Essentials Dennis de Groot

Inspired by the work of the likes of Saul Bass, Ben Bos & Keith Haring, graphic designer Dennis de Groot started a study on the usage of geometric shapes in illustrations. He began illustrating pop culture characters, who had formed his own palette of inspiration throughout the years, by reducing them to necessary shapes and colors. BARE ESSENTIALS explores the line between recognition and detail through 50 illustrations of cartoon, movie, video game & comic book characters in their 'barest essentials.'
