Beef in China: Agribusiness Opportunities Scott Waldron

China's emergence as a "beef giant" has enormous implications for the world beef market. The first up-to-date and full scale analysis of the booming beef industry of China, which produces a phenomenal five times more beef than Australia. The product of several years of fieldwork and university research, a collaboration with recognised industry authorities here and in China. Abundantly illustrated. John Longworth is the author of Beef in Japan published in 1983.
