Language (Unwin University Books) Leonard Bloomfield

First published in Great Britain in 1935, this *Routledge Revival* reissues one of the most influential works ever published in the field of linguistics. Leonard Bloomfield's *Language* is both a masterpiece of textbook writing and a classic of academic scholarship, which examines the fundamentals of language and linguistics in a clear, precise manner. Intended as an introduction to the field of linguistics, for both the general reader and for students of linguistics, this detailed study covers a breadth of topics, ranging from: world languages, phonetic structure and syntax, through to morphology, semantics and dialectics.
