## **Networking With God** Greg Seaton

Networking With God was given to me by God, to take the visions he had given me and put together a book for ages 10 and up. Almost 2 years later, God has shown me so much to talk to everyone about, why did he pick me of all people? I didn't understand until I started writing this book, I started writing and I was amazed how God stood over my shoulder and guided me from start to finish. This book will help you connect or re-connect with Jesus, but it's all up to you! First Book. I am a Navy Veteran, Family Man, Christian and live in the greatest country ever. One Nation Under God! I have re-connected with Jesus and I'm here to stay. Keep pushing back the darkness and never give up!
